BE PART OF THE ACTION AT FOOD & BEV LIVE 2018!

Following on from our most successful CATEX event in 2017, IFSA (Irish Foodservice suppliers Alliance) are delighted to bring you plans for the Industry's trade event for 2018 - Food & Bev Live to be staged at City West on 6th & 7th February.

Capitalising on a revitalised Foodservice sector and acting as host to a range of National Skill competitions, demonstrations, and debate, Food and Bev Live will be a two day shop window for all things positive within our Industry.

We are constantly adding to the Food and Bev formula and I am delighted to welcome the Restaurant Association of Ireland to the show for 2018. The RAI will partner with us to host a new element to the event - The Tech - Hos area which will feature some of Europe's leading providers of technology solutions to the Foodservice and Hospitality sectors.

Also new for 2018, we will have a dedicated area for suppliers to the buoyant and innovative QSR sector. Many of our IFSA members already supply to the QSR and convenience sectors and Food and Bev Live will bring all of these solutions together attracting operators nationwide to attend.

Make Food and Bev Live part of your sales and marketing plans for 2018.
